Important Announcement About Your Subscription

In order to reduce publication lag times and to accommodate the increase in high-quality submissions from psychologists around the world, the *Journal of Applied Psychology* will publish approximately 40% more pages in 1989 and, in order to accommodate those pages, will increase in frequency from quarterly to bimonthly. Therefore, subscription prices will be $50 for members, $100 for individuals, and $200 for institutions in 1989.
